

A FREE DEMO, READY WHEN YOU ARE

A quiet, warm shop window for your *real* shop.

A single-page boutique website for Trio Collectives — built around the mother-and-daughters story, the Swedish candy, the consignment rack, and the family-friendly feel of the store off U.S. 2. Designed to grow into online ordering through your Toast POS when you're ready.

WHAT'S ALREADY BUILT

The demo, at a glance.

- **Editorial hero & story**

Asymmetric layout with the real store interior and the Nasset / Homola / Kaarto family story.

- **Five-category bento grid**

Home Decor · Kitchen · Swedish Candy · Gifts · New & Used Apparel — each with a real shop photo.

- **Consignment in 3 plain-English steps**

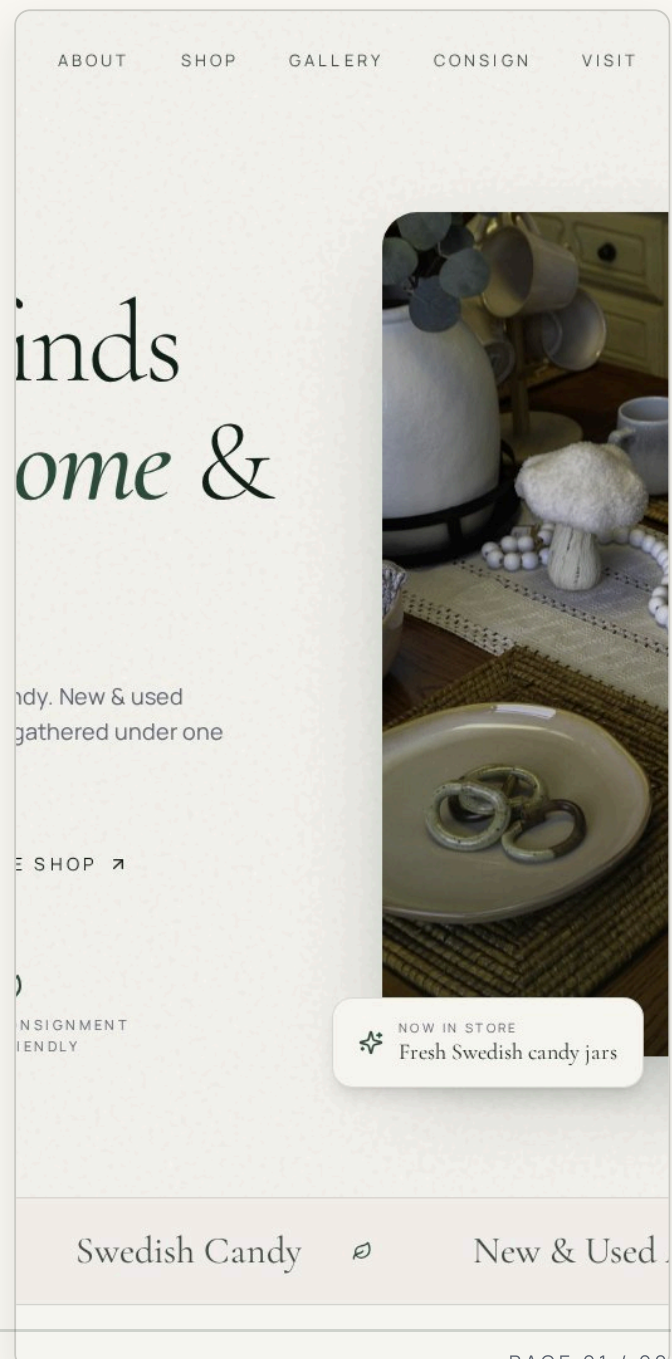

Routes straight to your Instagram DMs — no extra inbox to babysit.

- **"Coming Soon: Online Ordering" email capture**

Quietly grows a list now so launch day isn't a cold start later.

- **Visit panel + live Google Map**

Address, hours, Instagram, embedded map — everything one tap away on a phone.

— THE PITCH

Today: a beautiful shop window. *Tomorrow*: a tiny, useful e-commerce engine — built around Toast.

Every integration below is opt-in. We can ship them one at a time, in any order, and only when the store is ready. Nothing extra to learn on the floor.

REQUIRED UPFRONT

— SELL & GET PAID

Toast Online Ordering

CORE

Turn the "Coming Soon" teaser into a real online store — inventory, prices, and order tickets sync straight from your existing Toast POS.

Stripe Checkout

OPTIONAL

Card, Apple Pay, Google Pay, Link — for items that don't live in Toast (e.g. one-off consignment pieces).

Toast Gift Cards

PHASE 2

Sell digital gift cards on the site — perfect for Galentine's, holidays, baby-shower gifts.

Toast Loyalty

PHASE 2

Surface points + rewards on the site so regulars see their balance before they walk in.

— MARKETING & LISTS

Mailchimp / Klaviyo

CORE

Wire the email capture to a real ESP. Auto-send a welcome note + a one-time launch coupon for the first online order.

Instagram Feed (Graph API)

OPTIONAL

Live strip of your last 6 IG posts above the footer — the site stays "fresh" without any extra work.

— OPERATIONS & SERVICE

Consignor Portal

OPTIONAL

A simple login where consignors see their items, status, and payouts — fewer "is this still on the floor?" texts.

Twilio SMS Alerts

PHASE 2

Auto-text consignors when an item sells. Auto-text locals when a candy restock lands.

Live Chat (Tidio)

PHASE 2

Tiny chat bubble that rolls into your phone after-hours — Trio's voice, on duty 24/7.

SEO + Google Business sync

PHASE 2

Meta tags, sitemap, and a Google Business pipeline so neighbors searching "gift shop Kalispell" find you first.

Google Reviews widget

PHASE 2

Pull your highest-star Google reviews onto the page automatically. Quiet social proof for first-time visitors.

Pick one, two, or none — same price for the demo.

This page is yours either way. Tell us which one would help most this season and we'll wire it up next.
